HOTEL & RESTAURANT SERVICE

Junto will surprise you. Rosenthal's new tableware collection boasts a handmade look, quite naturally uniting sensual ceramic in matt earthy shades and fine porcelain with asymmetrical shapes. The 46 different pieces can be combined in a number of ways – a creative mix, which keeps on reinventing itself. Large and small bowls, small pots and plates are perfect for serving all kinds of dishes. Junto, designed by Gianpietro Tonetti and Mario Padiglione, symbolizes the joy of eating.

Junto überrascht: Im Handmade-Look der neuen Geschirrsreihe von Rosenthal finden sinnliche Keramik in matten Erdtönen und feines Porzellan in asymmetrischen Formen ganz selbstverständlich zusammen. Dabei lassen die insgesamt 46 unterschiedlichen Teile zahlreiche Kombinationen zu: ein kreativer Mix, der sich scheinbar immer wieder neu erfindet. Große und kleine Schalen, Kannchen und Teller laden förmlich dazu ein, verschiedenste Speisen zu servieren. Junto, gestaltet von Gianpietro Tonetti und Mario Padiglione, ist Sinnbild für gemeinsames Essen und einfach genießen.

Junto sorprende: nel look artigianale del nuovo servizio piatti Rosenthal, la ceramica dai toni opachi color terra si sposa con naturalezza con una porcellana dalle forme asimmetriche. I 46 diversi componenti della collezione si prestano a numerose combinazioni, con un mix creativo capace di reinventarsi in modo sempre nuovo. Con le loro forme, le varie coppe e piatti invitano a servire le pietanze più disparate. Junto, disegnato da Mario Padiglione per Tonetti Design, rappresenta simbolicamente la gioia di sedersi a tavola.

The exceptional charm of Junto's reactive glaze lies in the unique appearance of each item. The layer of glaze creates every time different shades especially on the edges of the articles. Depending on the shape, entirely unique speckled structures take form on the ceramic surface.

Der besondere Charme der Junto Reaktivglasur liegt im individuellen Erscheinungsbild eines jeden Artikels. Speziell die Randzonen erscheinen durch eine dünnere Glasurauflage in einem seidenmatten, dunklen Glanz und je nach Formgebung ergeben sich unverwechselbare, sprenkelartige Strukturen auf der keramischen Oberfläche.

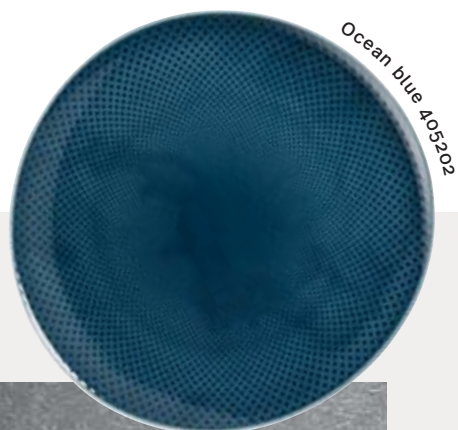

L'aspetto sempre diverso di ogni articolo risiede nello speciale fascino dello smalto reattivo di Junto. In particolare, i bordi presentano una smaltatura scura con una brillantezza satinata. A seconda della forma, sulla superficie in ceramica si creano sfumature con caratteristiche inconfondibili.

The coloured glaze, specially developed by Rosenthal, lets the typical diamond relief appear in an exciting contrast of light and dark, lending these hand-glazed products a unique colour progression.

Die speziell entwickelte Farbglasur lässt das charakteristische Rautenrelief in einem spannenden Hell-/Dunkelkontrast erscheinen und verleiht den von Hand glasierten Produkten einen einzigartigen Farbverlauf.

La smaltatura colorata, appositamente sviluppata da Rosenthal, enfatizza il sottile rilievo a losanga, donando un raffinato effetto chiaroscuro. Una nota di colore davvero unica per questi prodotti smaltati a mano.
